Innovative Billionaires Club LLP

Collective Wealth Creation / Strategic Investments / Long-Term Growth

About the Club

The **Innovative Billionaires Club LLP** is an exclusive, legally registered **Limited Liability Partnership** formed by a group of growth-driven individuals who are committed to generating sustainable wealth through **strategic investments, corporate lending, real estate ventures, and project execution.**

This club is not charity-driven. It is a focused financial ecosystem designed to **scale wealth through collaboration**, disciplined contributions, and structured returns.

Vision

To build a portfolio of businesses and investments that collectively achieve a billion Dollar Business

Core Purpose

To enable members to:

- Invest collectively
- Build and scale high-potential ventures
- Leverage group capital for real estate and corporate funding
- Create long-term, passive and scalable income streams

Operating Model

- **Legal Structure:** Limited Liability Partnership (LLP)
- **Current Members:** 10 Partners
- **Weekly Contribution:** ₹2,000 per member
- **Capital Pool:** Approx. ₹12 Lakhs (accumulated over 1 year)
- **Monthly Revenue:** ₹50,000 to ₹60,000 from lending, chits, and micro-investments
- **Profit Sharing:** Equally distributed as per LLP agreement
- **Meetings:** Annual in-person meet; financials and decisions shared digitally
- **Platform:** Communication and finance tracking via group until app launch

Scope of Activities

1. Corporate Lending

Short-term and mid-term lending for business activities with structured returns
